PROPERTY DETAILS

The moment you pull into the new driveway, the curb appeal and landscaping with the large sitting area patio welcomes you into this stunning home. Upon entering this 5 bedroom, 3 custom tiled bathroom beauty, you'll be greeted with an open living room, hardwood floors, an abundance of natural sunlight and a wood burning fireplace, which can be seen from the gourmet kitchen. The 170 sq ft addition allows for the kitchen to be designed with a 11' custom built island, premium wood accent refrigerator, 36" commercial gas cooktop, double convection/micro ovens, wine/coffee bar and all the soft close cabinets are topped with a beautiful quartz countertop. Enjoy entertaining outside on a stamped concrete back patio, fruit trees, which is surrounded by a large, fenced yard. Watch those bronco games in the large basement living room with a wood burning fireplace. The basement has a massive laundry and storage room, two large bedrooms and a beautiful bathroom with a rainfall shower. There are too many incredible things to list about this home. It is centrally located to parks, restaurants, and shopping. Walk to Ketring Park, Gallup Reservoir. Close to award winning Littleton Public Schools and easy access to Broadway & Sante Fe.
