PROPERTY DETAILS

Beautiful and clean well kept home with tons of updates during past 24 months including: New luxury vinyl wood planking on main level and upstairs (easy to clean, water proof and looks awesome). All appliances are new including washer and dryer, new crystal chandelier in foyer with dimmer, new carpet in basement, new kitchen sink and faucet, new toilets throughout, new pedestal sink in half bath, new vessel sinks and counters tops in master bath, new faucet on master jetted tub, new counter tops in guest bath too, new gutters & downspouts, new window well covers, new concrete on part of the drive and walkway, new front yard and backyard turf, all new fencing in rear, and more. This low maintenance home is very welcoming with its large farmhouse style porch to its custom paint work and finishes throughout, as well as a children's dream room with its own tree house and storybook mural and 2 fireplaces. Cozy up in front of the gas fireplace in the main level den with cathedral ceilings and lots of sun light, and enjoy the comfort of a gas fire place in the master bedroom too! Large master has two closets, one is a walk-in, the master also has large sitting room/study that has French doors leading to private upper level deck (19 x 9) with partial mountain views. three bedrooms upstairs and basement is like its own separate bedroom/den (no large closet but a very comfortable place to get away. Office on main level has open archway to foyer and a French door install would set the office apart just perfectly. Large crawl space for extra storage in the basement and an attached two car garage out back & a nice long driveway big enough to fit an RV and a boat. New turf yard means no more watering, weeding, chemicals, and sprinkler maintenance, and your yard looks good all year around. Come see your new home, you will be glad you did. All appliances included. Some furniture is negotiable. 12 month home warranty included in sale. Seller is licensed real estate agent.
