## PROPERTY DETAILS

Beautifully maintained 3 bedroom, 2 bath home on an interior street in the sought after Norwood/Garden Isles neighborhood. The home offers impact windows and doors throughout. The kitchen has been updated and is open to the rest of the home with a convenient snack bar. The spacious Florida room overlooks the large, fenced back yard with plenty of room for you to build the pool of your dreams (7,500 sq.ft.). You'll be thrilled to know that there are NO popcorn ceilings here!! The bathrooms are mostly original but in impeccable condition for the most part. The laundry room is indoor, off of the kitchen. The AC was installed in 2008, Water Heater 2018, the Roof is original but has been maintained regularly with pressure cleaning and Elastomeric every few years. Super nice home!
