PROPERTY DETAILS

This is a stunning home, sure to excite as soon as you walk in. The mountain and golf course views are sure to stop you in your tracks. On the main level, you have a chef's dream kitchen with a butler kitchen leading to the amazing dining room. The open living room with a double-sided gas fireplace, shared with the home office/library, which invites privacy and content! A laundry room fit for a mansion. There is a huge deck you will want to spend mornings, afternoons, and evenings enjoying the most amazing views of the front range of the Rockies and what Colorado is famous for. In the lower level, you will find a family room inviting you for those romantic evenings, listening to your most loved music or watching your favorite shows and fixing your favorite beverage at your private bar which is only steps away. There is an artist's dream studio/office and 2 more bedrooms. The 3rd bedroom on the lower level is currently being used as a gym, but can easily be turned back to a conforming bedroom. The most intriguing feature of this beautiful home is the 2nd level with a grand staircase leading to the primary bedroom with 2 decks, one facing east and the golf course and a huge deck facing west with views of the beautiful front range! The walk-in closet is incredible and the bathroom is absolutely luxurious!! This property is zoned for horses and there are beautiful bridal paths throughout the subdivision. This home will not disappoint.
