PROPERTY DETAILS

Cozy brick ranch in desirable Village East! The long time owner has lovingly maintained and updated this home for over 30 years, but now it's time to make it your own! Beautiful hardwood floors on the main level and a finished basement makes this a must see. The yard is fully fenced and has sprinklers front and rear. The kitchen and the baths have been updated, and the cool central AC keeps you comfortable in any weather. All appliances are included - stove, dishwasher, refrigerator, washer, dryer and a separate freezer in the basement. The main level features upgraded double pane windows that let in a lot of light making this home cheery and bright. The backyard features a large shed and a garden area. Located in the award winning Cherry Creek School District, all schools are in close by walking distance. It's also close to shopping and dining just two blocks from the Gardens on Havana. Easy access to the Anschutz Medical Campus, DTC, DIA, Buckley SFB and downtown. Don't wait - this is a great home to call your own!
