## PROPERTY DETAILS

Make this wonderful home yours! Enjoy privacy, big views, and your own aspen forest from the comfort of a wrap around deck, or sip coffee and watch the sunrise over the Pike range from the Master balcony. This property features two usable acres and is located in a quiet corner of the Indian Mountain neighborhood - it's accessible year round via a County maintained Circle. The interior of the home is spacious with cathedral pine ceilings, wood and riverstone accents, a gas fireplace and long range views from nearly every window. The master suite is complete with two closets, a private balcony, an oversized bathroom and soaking tub. The seller takes great care of the property, and has recently installed new kitchen appliances. The home includes ALL furnishings, washer / dryer, and shed, all you need to do is show up! There is nearly 1200 sf of deck space - 640 sf is covered, the property's topography is easily traversed. The aspens are beautiful in the Spring and breathtaking in the Fall. High speed internet available and full mobile phone service at the home. Property owners association is voluntary
