PROPERTY DETAILS

Wonderful opportunity in the heart of Boulder! This tastefully remodeled 2 bedroom 2 bath Vistoso condo boasts spacious open floorplan w. plenty of natural light. Many upgrades incl. newer flooring throughout the living space & bedrooms. In 2019 master bathroom was remodeled, new HVAC system & tankless water heater were installed & a new washer/dryer put in. New window coverings everywhere added in 2020. Kitchen boasts granite countertops, island, stainless appliances, plenty of cabinet space & opens to the dining & living room - ideal for entertaining. Cozy up to the fireplace on snowy winter days & relax on the patio to enjoy the Colorado sunshine! Master bed feat. spacious ensuite bath with soaker tub & dual sinks, huge walk-in closet & Juliet balcony. Quiet well maintained community w. secure underground heated parking garage & extra storage, fitness center, beautiful courtyards, community room & onsite manager. Near to shopping, dining, library, CU. Minutes from downtown Boulder. Sellers wish to sell ALL furniture and items left in the property, purchased new less than one year ago.
