PROPERTY DETAILS

Welcome to this beautiful two story home in Broadmoor Downs! This home is south facing, has lots of natural light, and has both front and back porch views. The family room boasts cathedral ceilings, a wall of windows, a big cozy fireplace, and hardwood flooring. The main level open area kitchen has an island, tile countertops, and opens to the adjacent family room and formal dining room. You'll love the garden level basement with its huge bonus room, bedroom and bathroom. The upper level features a master suite with five-piece bathroom and walk-in closet, two additional bedrooms, and a full bathroom. The back yard is perfect for family gatherings as it backs up to open space and has an abundance of scrub oaks and plenty of shade, perfect for our beautiful Colorado summers! Close to shopping, grocery stores, restaurants, highway 115, I-25, and Fort Carson.
