PROPERTY DETAILS

This beautiful 4 bedroom, 3 bathroom home in the heart of Colorado Springs is ready for its new owner! This home sits on an oversized lot (nearly 1/4 acre), with mature trees, lawn and privacy fence. The kitchen was newly remodeled with gorgeous cabinets that go up to the ceiling, granite countertops, new appliances and stainless steel vent fan over the range making for a gourmet kitchen. The breakfast bar completes the kitchen with a bar height counter and pendant lights overhead. The large windows make this space feel bright and open. On the main level you will also find a generous sized dining room and living room with wood burning fireplace. The upper level has 3 bedrooms including a primary bedroom with attached en suite and original wood floors. The primary bathroom en suite has been remodeled with tile flooring, floor to ceiling tile in the shower and a beautiful new vanity. The two additional bedrooms upstairs have large closets and original wood floors. The lower level of the home hosts a large family room, laundry room, 4th bedroom and 3rd bathroom! The home is equipped with A/C for those hot summer days ahead. NEW roof in 2018, NEW garage door mechanism in 2021 with warranty that conveys to new owner.
