

Multi Family 1960 SQFT 3 Beds 2/1 Baths 2 Car 0.22 Acre

PROPERTY DETAILS

Hip ultra modern triplex with 3 bed/3 bath in south Englewood. These gorgeous homes offer super open concept floorplans w/ big windows and natural light, high ceilings, solid wood floors on entire main level, stairs, and upstairs hallway. The large great room features a mood setting rectangular fireplace with great flow to the dining & kitchen areas. Contemporary finishes in kitchen include white quartz countertops, LG stainless appliances and ceiling mounted vent hood, wide plank hard surface flooring, gray shades throughout, huge master bath with custom tiles and glass block door, large master walk in closet and more. In addition to the master upstairs you will find 2 other good sized bedrooms, laundry space & second bath. The fenced in back yard provides plenty room for a fire pit and grass for pets. Front & back yard sprinkler systems. There is a detached 2 car garage with extra high ceilings where additional storage can be built. Don't miss this amazing new home in south Englewood neighborhood close to Oxford light rail station, Sprouts Market, Ace Hardware and much more. Buyer to verify taxes with Arapahoe county.
