

Townhouse

1438 SQFT

2 Beds

3/1 Baths

2 Car

PROPERTY DETAILS

MUST SEE!! Newly remodeled townhome featuring upgrades throughout ... spacious main level with new plank flooring, a light and bright living space, 1/2 bath and open kitchen. The kitchen boasts beautiful quartz counter tops and backsplash, new stainless steel GE appliances, new lighting on the main level. Kitchen walks out to the back patio and 2 car detached garage. All bedrooms located upstairs. The primary bedroom adjoins the updated 5 piece bath with dual sinks, updated fixtures and quartz countertop. The second hall bath has new vanity, new fixtures, and new quartz countertop. The Laundry is conveniently located in unit upstairs with the bedrooms. Don't miss the ring security system and new water heater. Great location, just minutes from shopping, dining and schools. The main level and the primary bedroom are digitally staged.
