

 Single Family  4432 SQFT  4 Beds  4/1 Baths  3 Car  0.23 Acre

PROPERTY DETAILS

Built in 2018, this gorgeous gem is located on a quiet cul-de-sac street near a large park. This exceptional 2 story home with 4 beds up, tons of storage and a backyard perfect for entertaining - all in highly sought after Southshore. As you enter the home, you will notice the beautiful flooring and natural light. The large dedicated office is perfect for working from home. Enjoy the spacious family room with a cozy gas fireplace and windows that gently let in the sunset lighting. Flow into the expansive kitchen which boasts granite countertops, tons of cabinets and a large island, 5 burner gas stove w/ hood, stainless steel appliances, double oven, large pantry and eat in kitchen space with a glass sliding door that leads onto the perfect-sized deck. From the 3-car garage you enter into the mud room. The size-able laundry room has shelving and plenty of storage space. The upper level is perfectly laid out with four spacious bedrooms. The luxurious master suite has a five-piece bathroom and a spacious walk-in closet. Southshore isn't just a neighborhood, it's a lifestyle with two pools, clubhouse, trails and many community events. Zoned for highly coveted Cherry Creek Schools, close to shopping, reservoir, restaurants and easy access to E470. See all the incredible amenities Southshore has to offer at <https://www.livesouthshore.com/community/amenities/>
