

Condominium

872 SQFT

1 Bed

1 Baths

## PROPERTY DETAILS

Beautiful, updated end unit. This unit was remodeled 3 1/2 years ago. Newer vinyl wood-look plank flooring in main areas. Carpet in Bedroom. Kitchen was redone with Hickory cabinets to the ceiling, undercounter lighting, tile backsplash, stone look laminate countertops, new black stainless-steel appliances, pantry closet. New crown molding, wood burning fireplace. New front door and exterior door to patio off office and interior doors. Two patios, main patio accessible from both Living Room and Bedroom. Second patio accessible from Bedroom/office. Custom Window Coverings. Newer Bathroom. Laundry Closet accommodates full size washer/dryer. Large Dining Room with perfect access to Kitchen. Windows and Vinyl Siding and Roof were all replaced within last few years. Great location in complex, quiet, away from traffic in back of complex. Parks, High Line Canal Trail, Golf Courses, RTD and Light Rail Stations nearby. Close to University of Colorado, Anschutz Medical Campus. This is a must-see home.
