PROPERTY DETAILS

This well-maintained house has 3 bedrooms, 1.5 baths, and a 2-car garage. It features a beautiful extended deck and a newer furnace (2016). The house has laminate floors throughout, with tile in the kitchen (2019). New windows were installed in March 2022, along with a brand new refrigerator. All appliances, including the washer and dryer, are included. The bedrooms have new ceiling fans, and there are new light fixtures in the kitchen, dining, and entry hallway. This house is perfect for a family or as a rental property. Priced to sell quickly, schedule a tour now.
