Vacant Land

PROPERTY DETAILS

Compelling price adjustment to this rare opportunity to build your dream home on one of the few panoramic mountain view lots in Louisville. Perched just south of Harper Lake on the western edge of the Centennial neighborhood, this lot affords unobstructed views of the Flatirons, mountains, and Davidson Mesa open space (no HOA!). The former home and surrounding neighborhood were lost in the Marshall Fire and debris removal has been completed. This lot is a short walk to the lake & miles of open space trails. Create your dream life in Louisville with easy access to Boulder, Denver, & the mountains.
