PROPERTY DETAILS

Meticulous, move-in ready home in Canterbury Crossing with unobstructed views from the covered patio of open space, park, mountains and golf course. Four bedrooms on same floor, plus one in the basement. This home features an updated kitchen with tons of quartz counterspace, almost new (2 yrs) upgraded appliances, breakfast bar and eat-in kitchen, all open to the light-filled family room. You'll love entertaining with an easy flow into the dining and living rooms. The main floor also offers a beautiful office (or 6th bedroom), 3/4 bathroom and laundry room w utility sink (W/D included). Upstairs are four large bedrooms incl the primary suite with 5-piece bath and walk-in cedar closet, and another full bath serving three additional bedrooms. The basement is a perfect design for a guest suite with a FULL kitchen, eating area, a second family room, large bedroom and 3/4 bathroom. Four egress windows and brand new carpet create a lovely, light-filled space. Canterbury Crossing is a wonderful community with pools, walking trails and parks. Enjoy the playground, volleyball court and summer
