PROPERTY DETAILS

Beautifully updated two story home in traditions! When you walk in this home you are immediately greeted with tons of natural light and an open floor that is perfect for entertaining. The kitchen is fully upgraded with modern cabinets, granite countertops, stainless steel appliances, a walk-in pantry, and large island. The main level also offers an office space with custom built-in's and a powder bath. The oversized primary bedroom has an en-suite bath with a walk in closet with custom built-in's & vanity, and a soaking tub; great for relaxing after a long day. The upstairs also has 3 bedrooms; 1 of which has an en-suite bath, a full bathroom, laundry room, and a loft that could be used as an additional office or hangout area. The unfinished basement is a blank cavass that could be used / finished to best suit your needs. The oversized 3 car garage has a sub panel with 2 240/220V (one 35 amp & one 55 amp), dust collector, custom shelving with lots of storage, and a polyaspartic floor coating making it very durable. Enjoy your own garden in the back yard, a shed, and a patio perfect for grilling on a nice summer day. You are just a few blocks from the community clubhouse / pool and have easy access to the highway. Did I mention this house also has solar panels? This home truly has it all!
