## PROPERTY DETAILS

Striking executive home with premium wide plank hardwood floors throughout the main level. 9-foot ceilings on the main floor with a dramatic 2-story ceiling in the great room. Spacious gourmet kitchen with stainless steel appliances, large center island, granite countertops, double ovens, custom pendant lighting, under-cabinet lighting, accent glass cabinet doors, slide-out shelving, crown molding, and premium gas range. Expansive great room with a 2-story ceiling, built-in bookcases, ceiling fan, and stunning gas fireplace and mantel. Escape to a large primary bedroom with a coffered ceiling, a walk-in closet with built-in custom closet organizers, and a lighted ceiling fan. Professionally finished basement with a media room, built-in surround sound, fireplace, guest bedroom, and three-quarter bath. A 3-car tandem garage allows room for extra storage or workshop.
