## PROPERTY DETAILS

### LOCATION! LOCATION! LOCATION!

Located in the sought-after, Country club feel of the Stonegate community, this 5-bedroom 4 bath extended 2-car garage home is situated on a friendly and welcoming cul-de-sac ACROSS THE STREET from the Stonegate Village Park Complex and Elementary School! This home features 3,765 square feet of living space including a finished basement! Wood floors throughout on the first floor, tastefully upgraded kitchen with cherry hardwood cabinets and quartz countertops, vaulted ceilings in entry, formal dining room, family room with gas fireplace and updated first floor powder room including shower. The massive upstairs private owner's suite features a soaring vaulted ceiling, 5-piece owners suite bath, large walk-in closet and beautiful views of the park. Three additional upstairs bedrooms share an additional full bath featuring separate sink and shower areas. The 1,268 square foot finished basement includes a large rec room area with half bath, bar area with sink, and large storage room! Furnace and air conditioning only three years old. Beautifully landscaped backyard on 6,839 sq. foot lot with concrete stamped patio and separate deck for BBQ is perfect for entertaining with unobstructed open-air views of the huge central park across the street.
