## PROPERTY DETAILS

Welcome home to this turnkey Castle Rock beauty! From the moment you open the front door it feels like home. The dual sliding doors and many windows offer a ton of natural light. This home offers 4 bedrooms & 3 baths, high ceilings, window coverings, carpet and beautiful flooring throughout. Main level offers 3 beds & 2 baths, cozy family room and large eat-in kitchen. You will love cooking in this beautiful kitchen with plenty of workspace, granite counter tops and newer appliances including a double oven. The walk-in pantry and desk area near the garage entry offers so much extra space and storage. The primary bathroom offers a spacious walk-in shower and connects to a huge walk in closet. Basement is finished with a large additional bedroom, bathroom and bonus room. This could easily be used as a dual master home. You will be amazed at the closet and storage space throughout the property. The backyard has been professionally landscaped, and includes a large covered/lit patio with an added extended patio off to the side for all your entertaining needs. The home has solar panels
