

Condominium

1672 SQFT

2 Beds

2 Baths

1 Car

PROPERTY DETAILS

This great two bedroom, two bathroom unit is on the first floor and includes a basement. It features BRAND NEW carpet and paint! The living room is spacious and includes a fireplace for those cold Colorado nights. There is space for a dining room which flows nicely into the kitchen. The basement features a huge living room, laundry room, bathroom and bedroom. This unit also includes a one car detached garage. Don't forget to check out the pool in the center of the community!
