PROPERTY DETAILS

Welcome to your solid brick, ranch-style home in Perl Mack Manor! Living area is approximately 200 square feet larger than public records state due to garage being converted into additional living space. An oversized 2-car garage sits at the end of the long driveway with plenty of room for extra storage. The beautiful backyard will be a favorite hang-out area with the deck and covered patio areas. Inside you will find two bedrooms on the main floor with two non-conforming bedrooms in the basement. The large kitchen with its granite countertops and tons of cabinet/pantry space is every cook's dream! The large windows in the living room area allow for that beautiful Colorado sunshine to shine through. The home is in a central location with easy access to Highway 36, I-76, and I-25.
