## PROPERTY DETAILS

Welcome home to this well-situated house in Northglenn. Just blocks away from shopping and dining and easy access to I-25 and public transportation. The home has a newly installed Kitchen with new cabinets, stainless appliances and quartz countertops. The home has been well maintained with updated bathrooms, beautiful original wood flooring in the upper level, and more bedroom space on the lower level. New windows were installed in 2018. The large yard has a sprinkler system and the hot tub and play structure are staying. The oversized 2-car garage is attached and enters into the laundry area, park 2 vehicles with plenty of space for a workbench and tool storage. Come take look at this home. Showings begin on March 24.
