

 Single Family  1638 SQFT  4 Beds  2 Baths  2 Car  0.18 Acre

PROPERTY DETAILS

This is the house where you will find home!! It starts with awesome curb appeal on a quiet cul-de-sac location with maintenance free artificial turf tucked under a great shady tree! The interior includes so many updates including newly remodeled kitchen with newer cabinets, countertops, appliances and eating area. Newer windows, vinyl flooring and interior paint throughout. Updated baths, stair railing, light fixtures, high end Hunter Douglas Window Coverings AND right off of the kitchen a fantastic Trex deck that overlooks the very large backyard!!! The backyard accounts for most of the lot and if you've been looking for a sizeable backyard this one will not disappoint. Complete with mature trees, there is space for a firepit, volleyball net, basketball court(?) SO many possibilities, you really must see!!!
