PRICE \$585,000

 Single Family  4199 SQFT  5 Beds  2/1 Baths  2 Car  0.17 Acre

PROPERTY DETAILS

Enormous 2 story that backs to open space in the popular Brighton Crossing development. Walk into this open floor plan with vaulted ceilings and gorgeous engineered wood flooring. You'll love the huge eat in kitchen with large island and stainless steel appliances. The main level features open living room, dining room, and family room with gas fireplace. Main floor has large non conforming 5th bedroom. Upstairs you will find a cozy loft that overlooks the vaulted living room down below. Three spacious bedrooms and a Master Suite that you will love to escape to. Master bedroom features a 5 piece bath with double sinks, walk in closet with custom shelving and a master retreat that can be used for an office, baby room, or sitting room to relax with your favorite book! The 2148 sq ft basement is waiting for your creative design. Brighton Crossing also offers Clubhouse, Fitness Center, Pool, and park! This beautiful home will not last long, so come see for yourself all that it has to offer!
