PROPERTY DETAILS

Motivated Seller! This lovely home is priced at just \$176 per square foot. Definitely one of the best deals in Erie. Backing to well-maintained green belt and walking path, close to neighborhood pool and community center, situated on a quiet street with easy access to Denver and Boulder. Five bedrooms, five bathrooms, huge 3-car garage, partially finished basement with plenty of storage space. Two furnaces, two hot water heaters, two central AC systems, plantation shutters throughout. Great home in a wonderful community!
