Welcome home to this completely remodeled open floor plan ranch home. Everything from the front patio throughout this 3 bedroom 2 bath home is fresh and new. Luxury Vinyl Plank flooring throughout.

Upon entering, you will find a spacious dining room opening to the completely remodeled kitchen with soft close cabinets and hidden trash and utensil drawer. Kitchen and island is open to the family room. The family room has a new gas fireplace which will heat the room with thermostat control, and direct access to the back patio and yard. The spacious master bedroom offers it's own master 3 piece bath with a walk in closet, also with it's own sliding glass doors to the back patio.

On the other side of the home are two additional bedrooms, bath and laundry.

This home has brand new HVAC, A/C unit, washer, dryer, all new appliances, lighting, new paint on inside and outside of the home. All windows and sliding doors are new.

The full unfinished basement is ready for your personal creative design ideas.

The home is located in the desired Cherry Creek School district.
