PROPERTY DETAILS

If you love natural light, you are going to LOVE this home!! From the brightly lit Livingroom to the new addition of a sunroom. Each bedroom has ample light with large windows. The home has a ceiling fan in all bedrooms, Livingroom and the kitchen as well as the Central Air and a leased Solar Panel system to save on your energy bills. Speaking of kitchens, you will appreciate the size of the kitchen including the counter and cupboard space. Outside you will find a huge back yard with 2 patios, one covered with a ceiling fan, garden area, chicken coop w/ run and a gas valve for your gas grill. The garage is over sized with storage. Everything in the house comes with the house, appliances, shed, Coop and run, a few little items the seller left for you. What is not to love!?!? If you are looking for a home with EVERYTHING on one level, Welcome Home!
