PROPERTY DETAILS

A tremendous move-in-ready home! You will find 4 spacious bedrooms, 2 remodeled bathrooms, and a finished living room area on the basement level that could be a flex area for most anything. The remodeled kitchen has granite counters, stainless appliances with a gas cooktop, travertine tile in the kitchen, and a built-in wine cooler. Do you love natural hardwood flooring? This home has the authentic and original hardwood on the main level and the upper level in the hall and bedrooms, refinished one week ago and it's beautiful! Many newer items: windows, roof, radon mitigation system, and A/C system. The backyard is a top feature of this home. Enjoy, unwind, garden or entertain. Completely fenced with a large shade tree, irrigated garden area, and a covered patio. All appliances, washer/dryer, and storage shed in the back go with the home. This location is close to the light rail to DIA and Downtown, or the drive is about 20 minutes. Sand Creek with a playground, ponds open space and trail system, and a nature preserve. Anschutz Medical Campus, UCHSC Complex, Children's, and the VA Hospital are within 1
