PROPERTY DETAILS

Come enjoy far ranging, fantastic views and awe-inspiring sunrises/ sunsets in this well-designed and immaculate 3 bedroom/3 bath updated home. Lot is private with water-fall/pond, stone patios, wood deck, rock outcroppings and landscaped gardens. 3 car oversized garage and an adorable detached office/studio is a hit for all. Main floor living is possible and voluminous vaulted ceilings and tall windows expose the incredible views and let the light in. On 2nd level, secondly bedrooms are spacious and office area convenient. Heat is the very efficient natural Gas, hot water. Plenty of level parking for RV's/ campers or additional vehicles. Commute is easy and access it all that Colorado has to offer is close by. Additional still photos, floor plans and video/ aerials available on property website: <https://v1tours.com/listing/42184>
