## PROPERTY DETAILS

Welcome home, your hunt is over! This well maintained, low maintenance 3 bed/3 bath condo has everything but you! Move in ready with new paint and carpet. Newer SS kitchen appliances, washer & dryer, hot water heater, roof & outdoor light fixtures. Comfortable living space on the main level opens to your private back patio with new synthetic turf for your pets. On the upper level you'll find two good sized bedrooms – one with a mountain view – and a full bath complete with skylight and soaking tub. The finished basement can be a master suite, workout space, movie room or whatever you need it to be. The amazing location allows for easy access to Horsetooth reservoir, CSU, hiking & biking trails, a variety of restaurants, shopping, frisbee golf, and the Holiday Twin Drive-in. Close to everything but positioned to enjoy our beautiful Colorado landscape. It's turnkey and ready for you, so stop stressing and get in here! Quick possession possible.
