## PROPERTY DETAILS

This is it! Lovely 3/3 in romantic tropical setting with expansive patio/pool, hot tub, firepit, summer kitchen, soft garden lighting, and concrete privacy wall all on secluded 10,000 sq ft lot. Primary bedroom opening to patio/pool has a spacious bathroom addition with huge, and I mean HUGE shower, yummy jacuzzi tub, double sinks, numerous drawers, and private commode. Two large walk-in closets are a dream come true in addition to slider closets. Expansive Great Room/Dining area opens to the patio for casual, fun entertaining. Third bedroom on opposite side of house is warm and cozy with its own bath. Second bedroom with murphy bed used as office/den. State of the art kitchen offers white cabinets, quartz countertops, pantry, KitchenAid appliances & water filtration system.
