PROPERTY DETAILS

This is not just a house, it is a home that has been beautifully remodeled inside and out, with a new roof, new electrical panel, fresh exterior paint, new energy efficient windows, and a remodeled entryway. Step inside this home to the gourmet kitchen featuring slab granite countertops, new cabinets, new lighting, 6 panel doors, new flooring throughout and the list goes on! The primary bedroom is upstairs and boasts a private deck. There is a $\frac{3}{4}$ remodeled bathroom plus two additional bedrooms upstairs. The comfortable living room, kitchen, and laundry are situated on the main level. There are multiple decks to enjoy all year around with abundant southern exposure and beautiful mountain and city views, located on a quiet dead end, county-maintained road, with easy access to I-70 for a quick commute to Denver or to world class skiing and hiking year around. Nothing to do but move right in.
