## PROPERTY DETAILS

Ranch home with main floor living is located on a large lot with fully fenced backyard! Enjoy the freedom of no HOA and room to enjoy your space. Lots of space for dogs and backyard fun! This 2 bedroom + large office home is situated on a 9500 sq ft lot! Attached one car garage with opener you can control with an app! Upgraded thermostat control using screen pad or an app on your phone. The garage is oversized to fit your vehicle and your equipment too. All main floor living with a comfortable and open layout. Stone wood burning fireplace is sure to be a favorite spot to gather on cold snowy days. Large kitchen with room for table/chairs, separate dining room, large living room. All appliances included, even the washer and dryer! Newer roof with 50 year shingles! Trees and bushes create privacy. If you desire gardens or lush landscaping, there is a sprinkler system installed. Close to Peterson Space Force Base, shopping, and restaurants.
