PROPERTY DETAILS

Adorable Cottage in Parker. Don't miss Sundays on Mainstreet with the well known Farmers Market. Once you finish shopping, unpack your goodies on your gorgeous granite countertops, freshly painted cabinets and newer stainless steel refrigerator. After a long day, retreat to the primary bedroom with an accent wall and walk-in closet with custom storage. Downstairs, you will find two additional bedrooms beautifully finished with new flooring and paint along with a tastefully updated bathroom. This charming level keeps the same luxury vinyl flooring & serene paint throughout and is finished off with a lovely laundry room upgraded with new shelving and storage. The custom garage and well landscaped front yard have that curb appeal you have been wishing for. Outback, enjoy your very own trex deck, newly remodeled yard with
