PROPERTY DETAILS

Quiet and ultramodern luxury at its finest - every inch of this home is top quality, meticulously crafted and sure to satisfy. You will love the convenience of a luxurious smart house while feeling slightly away from the hubbub in this private oasis. Enjoy tons of natural light with large windows and skylights. Features: several decks, a wet bar in the upstairs living room, floating vanities and soapstone countertops, hickory floors, an EV charger in the 2-car attached garage. This custom builder has thought of everything. 360-degree security. Possibilities for income through short term-rental if this is a second home. Will be completed within 5 weeks of listing date. This is your chance to pick out finishes such as paint color, accent wall or other miscellaneous finishes!
