PROPERTY DETAILS

Solid brick two story home on a corner lot in a quiet cul-de-sac! The long time owners have lovingly maintained this home, and now it can be yours! Gleaming hardwood floors grace the main level floors. Large corner lot, mature trees, huge storage shed/shop and a relaxing covered patio make the outside ideal. Inside features upgraded energy efficient windows, including bay windows in the front and rear, kitchen with all appliances included (stove, refrigerator, microwave, dishwasher). Cool central air keeps your home comfortable on the hottest days, and large trees provide shade on the outside. The main level bathroom has been expanded to allow ADA compliance, and the primary bath has been updated as well. Four spacious bedrooms are upstairs, and an unfinished basement makes space for storage or more finished square footage. Easy walking distance to all three levels of award winning Cheery Creek Schools, and only a couple of blocks from Utah Park & Pool. Easy access to Fitzsimons Medical Campus, DIA, DTC, Buckley SFB, and downtown. Close to shopping and dining at The gardens on Havana. This is a home that you can move in, update as desired and build equity! The roof, furnace and sewer have all been inspected and certified/repared as appropriate. Showings begin Friday - don't delay!
