The home features many design upgrades throughout, and the floor plan is well thought out and functional with plenty of room to relax or entertain. The home has 3 bedrooms on the upper level, which includes a large master suite with a walk-in closet and 5-piece bath with raised granite countertops and ceramic linen tile. In addition, there is a spacious loft that could easily be converted into a 4th bedroom. The large eat-in kitchen has lots of counter space, granite counter tops, stainless steel appliances, beautiful espresso cabinetry and hardwood plank flooring which extends through the main hall entry way. The main level also has a large laundry room with cabinetry. The home has an unfinished basement that could be used as additional living space, a theater or gym. The wonderfully landscaped, fully fenced back yard is surrounded by mature trees, and has a cozy deck for relaxing. The xeriscaping can easily be converted to grass for a children's play area. All appliances and window coverings are included! Southshore is a fantastic resort-style community within walking distance of the Aurora Reservoir, with multiple pools, club houses, close proximity to great shopping and dining, and within the Cherry Creek School District.
