PROPERTY DETAILS

Welcome to a cozy and affordable mountain neighborhood home! This raised ranch with walk out basement has so much opportunity waiting for its new owner. The main level offers an open floor plan, big kitchen, vaulted ceilings, moss rock wood fireplace and wrap around deck. Two main level bedrooms and a full bath complete the upstairs. Winding down the spiral staircase to the lower level is a living room, big bedroom with walk in closet & bathroom suite, and laundry room. This home has loads of potential to make it your own with a little bit of elbow grease. The desirable neighborhood, Will O Wisp, offers mountain living with the convenience of community water and sewer. Backing to Park County open space and located in the back section of the neighborhood, this location offers a quick commute to Highway 285 with the quiet sounds of the hills. Will O Wisp has its own private hiking area and is well known for being the place to go for Halloween Trick or Treating! The roof and gutter systems were replaced in October 2021. Private fenced in yard for the dogs. The property needs a little TLC including exterior paint & deck replacement/repairs. The inside offers standard finishes and is move in ready. Photos coming next week and will be live shortly after.
