

 Single Family  2108 SQFT  4 Beds  3 Baths  2 Car  0.17 Acre

## PROPERTY DETAILS

The kitchen has tile countertops, modern, backsplash, stainless steel appliances, and tile floors. This home has a family room located on the main floor and next to it there is another bedroom with a full guest bathroom. From there, you can go down to the basement, where you will find another bedroom, bathroom, and a second family room that can easily be converted into another bedroom or office. The laundry is located on this level as well! The roof was replaced in 2019, NEW A/C Unit, Eco Bee Thermostat, Ring Door bell and smart lock in the front door! Oh, and did I mention that there is no HOA!!!!
