## PROPERTY DETAILS

Gorgeous single family ranch in the desirable Mission Viejo Community! This home features an open floor plan with a living room off the entry complete with a fireplace to keep warm on those winter nights. The kitchen is complete with light cabinets, pendant lighting, breakfast bar and plenty of counter space perfect for entertaining. The dining room is adjacent to the kitchen and includes a ceiling fan and backyard access. The primary bedroom won't disappoint with a large closet, ceiling fan and en suite bath. A portion of the large basement has been converted into a large family room with storage closets and a bathroom. The unfinished portion of the basement is ready to be converted into your dream wine cellar, home gym, office or additional guest quarters. Step out into your backyard to enjoy the fresh air and lush landscaping with plenty of room for a garden, play equipment and space for your furry friends. Located close to Los Ninos Park, Horizon Park, 12 Mile Stables, Meadow Hills Golf Course, Cherry Creek State Park/Reservoir and Quincy Reservoir as well as several other area parks for outdoor adventure! Several shopping malls/centers are also just a short distance including; Highpoint Marketplace, Buckley Square and Seven Hills Plaza. With plenty of options for outdoor adventure, dining, shopping and entertainment there is something for everyone! Close proximity to freeway access to get you to your favorite destinations! All this and the added plus of no HOA
