

 Single Family    3499 SQFT    4 Beds    3 Baths    2 Car    0.34 Acre

## PROPERTY DETAILS

NO need to go to the park!!!! Have your own private oasis right out your backdoor!!! Beautiful large lot on cul-de-sac will offer hours/days/weeks and years of enjoyment complete with sprinkler system as well as large covered Trex deck and large play structure!! PLUS, lots of square footage on the inside to enjoy when the weather doesn't allow for outdoor activity!!! Enjoy the views with newer windows and front exterior and storm/screen door! Smart Home Features include programmable front and rear lights, Ecobee thermostat and garage door. AND you won't get lost in the dark with motion sensing lights in each bathroom or run out of hot water in the shower with the tankless H2O heater!! The full unfinished basement is a blank canvas just waiting to be designed and does include rough in for a bathroom. This property needs TLC and is priced accordingly, there are absolutely GRAND possibilities!
