PROPERTY DETAILS

Charming updated ranch style home on a large corner lot!! Three car heated garage with 220V power, with an included refrigerator. Newer vinyl flooring and paint throughout and a fully remodeled bathroom. All appliances stay in this open kitchen design with lots of cabinet space, a gas cooktop, newer dishwasher and unique concrete countertops! Wood burning fireplace and central air conditioner are also within this amazing space. Outside you will find a cute redwood front porch with an additional driveway parking space, a large back patio, garden area, grapevines, custom shed for additional storage, a large patio and an above ground pool that is included! Walking/biking trails are just a few blocks away, a short walk to the downtown restaurants and breweries! This home is full of character and the pride of ownership shows in every area. Don't miss this opportunity!
