## PROPERTY DETAILS

Welcome to this custom remodeled two story located in the highly sought-after Chenango subdivision. You will enjoy the great outdoor living space with mountain views from the back deck. The kitchen has been remodeled with new cabinets, slab granite counter tops, Sub-Zero refrigerator and Bosch appliances. The main floor living, and family rooms have vaulted ceilings, hardwood floors and fireplaces. The primary bedroom is located on the main level with wood floors and vaulted ceiling. The primary bathroom has been remodeled and is unique room. Two bedrooms with wood flooring are located on the upper level. The finished walk-out basement offers plenty of room for everyone. The family room has the walk-out access and a fireplace. The rec room is a large room that can be used for many purposes with additional storage located off of it. There is an additional bedroom and den which can be used as the 5th bedroom. Outside you will find a little oasis out from sitting on the front deck. The rear of the home has a full-length deck to enjoy the mountain views and sunsets and the lower level has a large stamped concrete patio. The home has been recently painted on the exterior and the roof is a stone-coated steel roof. The home is located in close proximity to Parker Road, Cherry Creek State Park, shopping and schools.
