PROPERTY DETAILS

Looking for a LARGE End Unit Townhome in Boca?? You just found it! This RARELY available townhome in Vallhala Village is almost 2,200 square feet. This is a great end unit that backs up to the golf course, for added privacy. It has a HUGE green space & is located near the pool. The Master bedroom is really big and has a HUGE Walk-In-Closet. There is also a private balcony off of the Master where you can enjoy a peaceful cup of coffee or evening cocktail. The kitchen has tons of cabinet space and granite counter tops. Some other great features that I love about the home is that it has a large Living Room, Formal Dining Room, Laundry Room, Screened In Porch Downstairs, an area for informal dining or office, TONS of extra storage under the stairs and an private front porch.
