

Home Sweet Home

PROPERTY DETAILS

You will instantly fall in love with this 2-bedroom,2-bathroom ranch home with no HOA. The kitchen, dining area, and living room are completely open concept and perfect for comfortable living and entertaining! The living room features a vaulted ceiling and amazing natural lighting. The kitchen is upgraded and includes newer sleek stainless-steel appliances, including a new convection range. It boasts ample cabinet space, and a large countertop area that makes food preparation a dream as well as a kitchen island. Speaking of cabinets, don't forget to check out the cabinet to the right of the refrigerator. The glass cabinet above the counter has a light switch to enhance your beautiful treasures. Both bedrooms are masters with completely updated adjoining bathrooms. There are sliding doors in the living room that lead to a new concrete patio in the cozy and private back yard with a newer horizontal wood fence, perfect for BBQ's or quiet afternoons. The entire exterior has been outfitted with newer James Hardy siding and gutters in 2017 of which both will lower your insurance rates. Too many updates to list. The home was remodeled by owner for her enjoyment with high end upgrades, not a flipper trying to meet a budget. Do not miss this beautifully updated home.
