

 Single Family     1348 SQFT     2 Beds     1 Baths     2 Acre

## PROPERTY DETAILS

Looking for a private mountain getaway with a pond? FOUND IT! Come visit this 1954 built log cabin on private 2 acres with small spring fed pond. The home is nestled in the aspen and pine trees. Come check out the log sided home with 2 bedrooms and 1 full bath. The kitchen has been updated with granite counters and an awesome farmhouse custom sink. Enjoy the large living room with wood burning fireplace and plenty of space for a large TV. Upstairs features two bedrooms with plenty of closet and storage space. Downstairs features a bonus room with direct outside access that could be used as an extra bedroom or awesome office with a skylight. Outside you will find plenty of peace and quiet with plenty of flat area for all your outdoor games as you enjoy your private pond. CenturyLink and Viasat used for internet. Septic size is 1000-gallon tank. Septic has been inspected, passed, pumped and new use permit issued. Turn at sign and follow to parking area at the house. There is also a semi-circular drive to the left that goes around the pond to another parking area on the other side of the house
