PROPERTY DETAILS

Aspen Drive is a great mountain contemporary home with a flat lot and wonderful Rosalie views. Enjoy the large and updated kitchen with tons of cabinetry for storage and a huge island. The open concept living area has a wood burning fireplace and a 1/2 bath located nearby. The primary bedroom is spacious and features a pellet stove to stay cozy on cold nights. 2 extra bedrooms with large closets also located in this single level home. Brand new carpet throughout and new flooring in the kitchen. Outside you are greeted with lots of deck space, a storage shed and an additional 320 sq ft building with heat and electricity. This accessory building, with a new roof in August 2022, could be used as an office, extra bedroom, workout space, or party room. Relax by the CREEK that runs through the aspen trees off to the side of the accessory building. Oversized 2-car garage and lots of extra parking is available on this lot. Septic system is rated for a 3 bedroom which is suitable for 6 people.
