## PROPERTY DETAILS

Hip Baker location. Wonderful neighborhood where there is a sense of community and pride of ownership. This Victorian half duplex was renovated in 2019 top to bottom. The exposed brick and white maple hardwood floors add to the character of this cool abode. The kitchen includes tall maple cabinets, plenty of storage, waterfall marble countertops, gas range with hood and stainless-steel appliances. A sweet backyard has a deck for entertaining or relaxing under the lights. Oversized one car garage. Spacious primary bedroom with tons of natural light and double closets. There are two other bedrooms and a gorgeous remodeled bathroom with cool tile, huge shower with a fabulous glass enclosure and a backlit mirror over the vanity. Don't miss the basement where you will find the laundry area and plenty of storage. 3 bedrooms, 2 bathrooms, 1 office space or extra bedroom and a detached garage.
