## PROPERTY DETAILS

Beautifully maintained paired home in the popular Senderos Creek neighborhood of Parker. A part of the premier Meritage Homes community, just, completed in 2019. The community includes open space, walking trails, a community park and pool. This beautiful home has a sunny, open, floor plan. The large open kitchen includes beautiful contemporary soft close cabinets and pantry. The solid surface counter tops, island sink and breakfast bar make it a perfect place to cook, relax, and enjoy your family. Includes a full suite of stainless steel appliances, including microwave, gas cook top and side by side refrigerator. The upstairs living area includes a beautiful master suite with adjoining loft area. The master bath has a private water closet and spacious walk in shower. Two guest rooms and a full bath complete the bright and sunny upper level. The basement is ready to be finished, with high ceilings, stubbed plumbing and a full egress window.

This home is only three years old and has been beautifully maintained with several interior decorating enhancements such as paint, fixtures, and wainscoting.
